

ZS4-S-R1 Screw Clamp Terminal Block

Disconnect

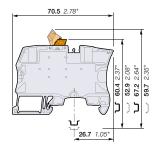

4 mm² *10 AWG*

6 mm *0.236 in* Spacing

Features and Benefits

- Simplify the alternated distribution thanks to the two jumper channels aligned with ZS4 feed-through terminal blocks,
- Ease your disconnect operations with the disconnect blade operated by hand or with a screwdriver.

3D CAD outline drawings available on "Control Product 3D" portal
